### Usual Disturbance With the Umpire Takes Place.

The Mets and Cooleysox divided honors at Association park, Sunday afternoon, in the double header, which was pulled off as the final meeting of the two belligerent forces. The Mets took the first game by a score of 2 to 1, while the Cooleysox led by the veteran Roach applied the whitewash in the second, winning by a score of 3

The Mets put on some of their war paint again and several of their players required a little rough handling at the hands of the umpires and the local peace officers. The joke seems to be on the Mets in this case. The start of the game was delayed for a time by Actling Manager William Hoffer who demanded that 20 officers be at the game and on duty. As this park is out of the city limits the only officers that can have jurisdiction at that place are deputy sheriffs, and it required some time to get the number sworn in. And then as fate would have it the officers were required to handle the Mets. In the second game Eddle Goea, who was angered by a decision of Umpire Setley on a pitched ball, threw the Spalding at his amplrical majesty, but his marksmanship was somewhat poor and the ball did not damage. But Eddle was put out of the game, and had to be taken from the grounds by two of the officers. He then viewed the battle for the remainder of the game, and had to be taken from the grounds by two of the officers. Be then viewed the battle for the remainder of the game was put out of the game, and had to be taken from the second game. And then on humerous other occasions, threats of fining had to be made to get the Mets to play ball.

The Mets won the first game with but little trouble in the first inning. Hagerman essayed to do the twirling stunt but for the second time during the present series the Mets got too intimate with the lanky lad and he lasted but an inning. This, however, should not discourage Rip for he still has a big margin to his credit against the Mets and has the better of the argument with Folbre, the Mets' star.

Something was the matter with Rip Sunday. Jack Love first up hit to right center field for three bases and this seemed to dishearten Rip.

The Saturday Game. M. WEIGHTMAN, Jr., Prop.

835 Kansas Ave.

In a clean cut and well played game of ball, the Topeka team ran home with the long end of a 2 to 1 score in the game of Saturday. The Mets showed a reversal of form due doubt-

less to the presence of Dr. Shively in the grand stand. Everything went along as smooth as clockwork and not a single fine was assessed. It was so much different from the performances of the day before that it was a pleasure to see the game.

Selby pitched a great game, holding the Mets to three hits. Bamis who selby pitched a great game, holding the Mets to three hits. Bamis who selby pitched a great game, holding the Mets to three hits.

Selby pitched a great game, holding the Mets to three hits. Bemis, who opposed him, was lucky during the early stages of the game, for although he was touched up with frequency was effective at critical times.

The Mets scored in the second inning after one man was out. Selby walked Rapps and singles by McCormick and Everhart scored the run.

In the sixth inning the locals got busy and tied the score. Wooley was safe on White's poor throw and immediately stole second. Davis and Boles flew out to Fenner and McCormick, but Dr. Andrews delivered the pinch hit a liner to right center.

And in the eighth the winning run came across the pan. Davis singled

Topeka at Springfield. Oklahoma City at Hutchinson. Enid at Wichita. Webb City at Joplin.

We are through with the Mets for this season, and we are not sorry eith-er. From the first they have been bit-ter enemies. During the first game of the series in that town the Mets stole three out of the four games of the ser-les. And thus it has been all season. When they saw that the Topeka team was superior in the closing series they levied against them for their actions last Friday. They have hit the tobog-gan apparently and the Jobbers will undoubtedly beat them out for the

team. If he is all the Joplin Globe says he is the Topeka team won't be able to get a single hit off him. The Gill who is pitching for Spring-field is no relation to Roy Gill or War-ren Gill, former residents of Topeka. The Springfield Gill is a southpaw.

Manager Holland of the Wichita team says he is going to use only three pitchers from now on, Dick, Scott and Speer. This is a good trio, but the Jobbers will have to go some to cop the pennant at this late stage of the game. Holland is going to reserve Packard and Bolin for use when the other pitchers are knocked out. Clark who was with the Jobbers has been who was with the Jobbers has been farmed out on the Independence team and on his first appearance was knock-

ed out of the box. Here is what Speck Hurlburt says in the Wichita Eagle: Hurlburt says that once Cooley threatened to fine that once Cooley threatened to fine him because he would not whip Umpire Eckman. He says that Cooley agreed to pay his salary all of the rest of the season and had another man to put in his place. Hurlburt says that Cooley got Doran "soused" and Holland scared out of Topeka because he believed Wichita did not have another catcher.

Back to the farm for Hurlburt is what is to take place according to the following from the Wichita Eagle: Spec Hurlburt may be forced to go to Topeka and work on his father-in-Topeka and work on his father-in-law's farm and help harvest the fruit crop. Holland is in communication with Hurlburt's father-in-law in ef-forts to let him finish the season in playing ball. Hurlburt has made good with the Wichita team and Wichita fans, and his services are badly need-ed at this stage of the game.

The Topeka Cooleysox invade Spring-field today and will battle there for three games after which they will return to Joplin for three more. Next Sunday the last home series of the season will open with the Springfield team as opponents.

Topeka wasn't much in evidence at Louisville Saturday. Jack Halia won two games of a double header and our old frend Cyrus Landreth poled one hit out of four times up in the first and in the second game was up only three times but he got a home run and two singles.

Umpire Setley went to Wichita last night and will work there for a few series, after which he will go to Joplin to finish the season. Gus Alberts went to Hutchinson. Setley won't be seen in Topeka again during the season but will work in the post season games here between the Omaha team and the Topeka team, providing both teams cop the respective pennants and will also work in the series with Kansas City.

The Mets might have had Larry Milton, but the price asked by the Webb City team, while not a steep one, was too high for the Mets management to pay. Loosen up, Mr. Moist, if you want to cop the pennant. Tight pocketbooks ne'er won a pennant.
